

Rapid Pak RX™

RapidPakRX™

RapidPakRX™ adherence strip packager, incorporating universal cartridges and unique built-in vision inspection. No more calibrated cassettes and suitable for any retail pharmacy.

RapidPaxRX™ benefits

- + All-in-one design, no separate vision inspection machine
- + Unrivalled speed, flexibility, and accuracy
- + Runs 20 'smart' bulk-loaded, universal cartridges simultaneously—dispense all oral solid medications (including gel caps, half tabs, new generics, etc.)
- + No more trays, no more remote tray filling stations
- + PackCheckRX™ unique three-step, integrated machine vision verification system—one-pass workflow, no secondary machine
- + 'On demand' 10-minute fill cycle
- + Up to 50 single or multi-med pouches/min
- + Positive displacement pouch filling
- + No more expensive consumables
- + Reduced labour
- + Smallest footprint (33" wide, 18" deep, 60" high)
- + Less on-hand inventory required
- + Intelligent software without extravagant pricing
